

McComb City RR Depot Museum Memorial

The McComb Railroad Museum is planning to honor the men and women that worked on the railroads. The Memorial will be located on the south side of the depot in downtown McComb.

The museum is selling engraved bricks to defray the cost of this project. These bricks will be incorporated into the design of the Memorial.

This is your opportunity to personalize the Memorial by adding the names of individuals, families or businesses that worked for or supported the railroads. You can purchase a small 4 X 8 inch brick for \$50 or a large 8 X 8 inch brick for \$100. The small brick has room for three lines and the large brick has room for six. Each line can contain a maximum of 16 characters, spaces or punctuation marks.

Order your bricks today by filling out and following the instructions on the order form below

*For more information or questions contact
Larry or Patsy Carruth at 601-276-6210 or via email at plc2@cableone.net*
